The B.C.R.C.H.A is seeking sponsorship for the 2010 show season. For those that are renewing their sponsorship, we thank you again for your patronage. To our new sponsors we welcome you and thank you for your support. The generosity of our sponsors helps to make our club a success! As always, we encourage our members to patronize our sponsors businesses.

The B.C.R.C.H.A is a nonprofit organization that promotes the equine sport of cutting. The club is mainly comprised of members from the Fraser Valley. Our club hosts about seven local shows a year and participates in events such as the Lower Mainland Quarter Horse Bazaar and the Mane Event which are venues that attract thousands of equine enthusiasts. For 2010 we are improving our website and offering banners for sponsor advertising. This year we are presenting the following options for your consideration:

Bronze - \$75 level

With a bronze level sponsorship we will publish your name or your business name on our website as well as make an announcement at our shows.

Silver - \$150 level

As a silver level sponsor you will receive as above and your company name will be displayed at our booth in the L.M.Q.H.A and the Mane Event. We will also provide a link to your business through our website.

Gold - \$300 level

A gold sponsor will receive as above and will be provided a banner that will be displayed at all our shows and clinics. You will also be invited to present an award at our annual banquet. Pictures of the presentations are published in Saddle Up Magazine.

Platinum - \$500 level

As a platinum sponsor, in addition to the above, we will provide two tickets to our year end banquet and a club vest.

Patron - \$750 and up

As a patron level sponsor you will receive as above plus a club jacket.
